DELEGATES' TOURS

Committee Instructions and Assignments, Mylo S. Downey, USDA,  
Tour Conductor; Joe McAuliffe, L-H Fellow, Chairman, Bus Tour  
Leader

A State leader or chaperon will be in general charge of each bus group. Three leaders are being assigned to each bus and should take turns in making the tours. It is suggested that State leaders assigned attend all sessions of leaders' meetings if possible and that bus tour duty be given other members in case of conflicts.

Leaders should report to the bus tour chairman (names listed below) 15 minutes before departure. You will be able to help the driver in calling attention to points of interest along the route.

Accidents or illness should be reported to the tour chairman and driver immediately.
